HANCOCK COUNTY EAGLE

VOLUME SIX, NUMBER FIVE BAY ST. LOUIS, MISSISSIPPI, THURSDAY, OCTOBER 7, 1954 Subscription \$2.00 a Year—Single Copy 5c

Public Blood Drawing To Be Held Next Wednesday

Details are completed for the public blood drawing at Bay St. Louis Youth Center from 4 to 9 p.m. next Wednesday, George Heitzmann, president of the Hancock County Blood Bank, said today.

Heitzmann announced that the distributors of Luzanne and Union coffee had notified him they would again furnish without cost 100 pounds of coffee each to be given to donors at the Blood Drawing. Free theatre passes are being provided by the Hi-Way Drive-In Theatre, and free ice cream is being given donors by Wilson Weber.

Kings Daughters Hospital will supply linen, the Bay High will supply beds, the Youth Center will furnish space and many individuals will be on hand to assist at the Blood Drawing. All of these will be in vain without the full and hearty cooperation of persons able to give blood, Heitzmann said.

The blood bank supplied 149 units of blood within the last nine months.

Commander Sidney L. Bourgeois of the local American Legion urged every Legionnaire to give blood.

Former Pastor Honored

The Reverend John Martin, former associate pastor of Our Lady of the Gulf Church here and at present Pastor of the Sacred Heart Church in Hattiesburg, has been honored by having the new gymnasium of the church school named after him.

At a meeting, last Tuesday night it was unanimously voted that in appreciation of the fine work and tireless efforts extended by Father Martin in the Parish and in obtaining funds for the erection of the gymnasium it should bear his name.

Blue Cross-Blue Shield Being Offered Individuals

One of the largest enrollments in any hospital-surgical protection insurance plan is expected during the month of October in Mississippi as Blue Cross-Blue Shield throws open its membership to individuals in many counties of the state.

Eligible will be any individual, whether self-employed or unemployed, as long as he is under 65 years of age and in normal health.

Blue Cross-Blue Shield already insures over 270,000 persons in Mississippi, who are among the more than 47,000,000 members throughout the United States. More than 27,000,000 Americans enjoy the protection of Blue Shield.

The rapid strides in Blue Cross-Blue Shield's progress in Mississippi it attributed to the simplicity of the plan. Prepaid hospital care is handled directly from Blue Cross-Blue Shield to the hospital. The patient's doctor benefits as he finds the bearer of the Blue Cross-Blue Shield card is quickly admitted to hospitals, assuring prompt treatment and thus speedier recovery. Blue Cross-Blue Shield pays all or a large part of surgical bills as well as general hospital expenses, a combination of advantages that has steadily increased membership in this plan.

Blue Cross-Blue Shield operates as a non-profit public service with a board of directors composed of doctors, hospital administrators and business leaders who serve without pay. Among its thousand of endorsements during the October open membership drive is the fact that it is the chosen plan of Mississippi hospitals and doctors.

Persons wishing to apply for Blue Cross-Blue Shield protection may inquire at their local County Farm Bureau Office or local hospital or write to Blue Cross-Blue Shield, Mississippi Hospital and Medical Service, P. O. Box 1043, Jackson, Mississippi.

Episcopal Pre-School Group To See Plane Demonstration

Jack Seuzeneau, owner and operator of the Suzie Flying Service, will demonstrate his airplane before the pre-school group of Christ Episcopal Day School Monday, Oct. 11 at 10 a.m.

This same group of children visited the Bay St. Louis Fire House yesterday as a project for Fire Prevention Week.

CORRECTION—

In the Legion and Star theatre program ads, a mistake was made in the Sunday-Monday pictures.

"Rear Window" is showing at the Legion theatre and "Frances Joins the Wacs" is showing at the Star Theatre.

New Doctor Here

Dr. and Mrs. W. L. McFarland and three daughters arrived this week from Natchez, and are making their home here with Mrs. McFarland's parents, Mr. and Mrs. J. R. Rollins. Dr. McFarland, a physician and surgeon, will practice his profession in Hancock County.

Mrs. McFarland was before her marriage Miss Rosemary Rollins.

Homecoming Picnic Planned At Kiln Sunday, Oct. 10

The Catholic Church at Kiln will be the scene of a huge basket picnic on the Church grounds next Sunday Oct. 10.

Parishioners are working overtime to make this a most memorable homecoming day for former parishioners and friends at Kiln.

Another reason for this picnic is to permit parishioners to meet their new pastor and assistant Father Bernard McDonald and Father Paul Keenan, members of the Missionary Servants of the Most Holy Trinity, who arrived recently to assume charge at Kiln.

Highlight of the day will be the "welcome home" of Father Francis X. Toner who will be there to meet his many friends.

Festivities will start at noon.

Girl Scout Troop Organization Completed

A final orientation of new leaders for the Brownies and Girl Scouts was held Tuesday afternoon at the Methodist Church Annex. Mrs. J. B. Guldman, Troop consultant and trainer, conducted the program.

Mrs. Mary Sharp, troop organizer, was present and gave additional instructions and information on Scouting.

New leaders are Mrs. Joseph Collins, with Mrs. A. M. Grass as Assistant Brownies.

Mrs. George Marshall, Mrs. Camille Schaefer, assistant Brownies.

Mrs. Lois Manning, Mrs. C. L. Carter, assistant Intermediate Scouts.

Mrs. Owen Schupp, assisted by Mrs. J. J. O'Neill—Senior Scouts.

All groups plan to start their fall work within the next week.

UN COMMITTEE MEETS

The United Nations Committee for Bay St. Louis met at City Hall Tuesday morning with members present representing the Lions Club, Bay Youth Center, St. Stanislaus, Our Lady of the Gulf Church, Bay High School, American Legion, Legion Auxiliary, Main St. Methodist Church, Mayor John A. Seafide, and Southern Field Representative for the UN, Mrs. C. McDonald Sr.

Reports from members indicate that UN Week, set for the week of Oct. 17-24, will be observed in almost every church, school and organization in Bay St. Louis during that week.

Mrs. Russell J. Elliott, chairman of the local UN committee, announced that an effort would be made to secure an UN flag to fly in front of the Court House during UN week.

HARVEST JAMBOREE SLATED NOV 6-7 BY SSC SIDELINE CLUB

At the Sideline Club meeting held Tuesday night at the college it was decided to hold a Harvest Jamboree in order to pay off the debt incurred on the installation of lights at the football field Saturday evening, November 6 and Sunday at noon and evening of November 7 were the dates selected. These dates coincide with the Homecoming Celebration of St. Stanislaus.

An organizational committee will meet at the College office to lay the groundwork for the Jamboree and to seek out volunteers to man the various booths and tables that may be set up.

The Star Theatre, through Joseph S. Jule Sr., has offered his theatre for a motion picture performance to help with this same debt. Date will be fixed by Father Richard SC, president of the College.

A meat ball spaghetti supper will be announced at a future date to be sponsored by the Sideline Club. All profits to go into the fund for the lights.

MOTHER OF FORMER STANISLAUS COACH DIES OCTOBER 2

Mrs. K. Thames, 76, mother of former Stanislaus head coach Lt. Richard Thames, USN, died at her home in Mendenhall Saturday morning, Oct. 2.

Funeral services were held Sunday, Oct. 3 with interment in the Mendenhall Cemetery.

In addition to Lt. Thames, the deceased is survived by a son, Leonard, a daughter, Mrs. J. W. Iby, both of Jackson, and three grandchildren.

Benefit Dance Slated At Lakeshore Saturday

There will be a benefit dance Saturday, Oct. 9 in the Lakeshore school gym for Malcolm Green.

Mr. Green has rheumatic heart disease and proceeds from this dance will be used for further medical treatment.

Music will be donated by Vic Green and his Mississippi Playboys, with Orville Laidner, Richard Proctor and "Pat" Louch.

Refreshments and home made cakes will be sold. Someone will take home a 25 pound turkey.

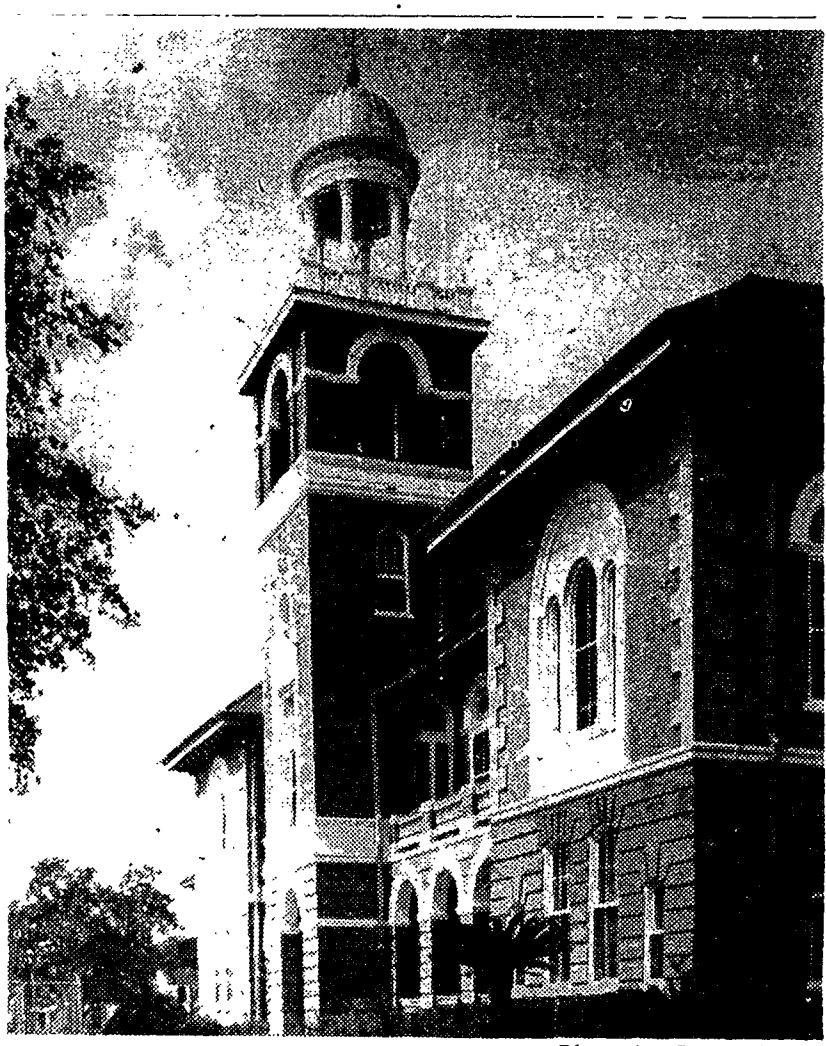

Donations are \$1.00 per couple and 75c single.

ALVIN WEINBERG HOME

Alvin Weinberg, who was a patient at Foundation Hospital, New Orleans, last week, returned home Sunday.

He is reported feeling much improved.

St. Stanislaus Centennial Being Celebrated This Weekend

—Photo by Carol Pfeiffer

Three Day Program Is Scheduled

The Centennial Celebration of Saint Stanislaus will be held this week end. Ceremonies will commemorate the history of the Catholic boys school, which dates from 1854. The program begins Saturday evening at 8 o'clock and will continue Sunday and Monday.

The complete program for the Centennial observance is as follows:

CIVIC RECEPTION
Saturday, Oct. 9, 8 p.m.
St. Joseph Academy Auditorium
Master of Ceremonies, George L. Seuzeneau, Class 1927.
Welcome and Greetings, Mayor John A. Seafide, '29
Reminiscing, Hon. Robert L. Genie, '98
Alumni from the Bay, Edmond Brignac Jr., '48
For the Student Body, Edward S. Perry, Class 1955 (President Boys' Nation)
Response, Brother Roland SC, President St. Stanislaus
Closing Remarks, Rt. Rev. A. J. Gmelch, Pastor Our Lady of the Gulf Church
Musical Selections, St. Stanislaus Band.

PONTIFICAL HIGH MASS

Sunday, Oct. 10, 4 p.m.

Acolyte II, Brother Andrew Sharkey, OMI
Crosier Bearer, Brother Bernard Burkel, OMI
Choir, Seminarians from St. Augustine's Seminary
Honor Guard, Fourth Degree Knights of Columbus, Monsignor Gmelch
General Assembly
Sermon, Most Rev. R. O. Gerow

Hancock Teachers Urged to Go Slow In Voting For Public School Abolition

"Teachers are obligated to think deeply, take stands, and express their views concerning the proposed legislation to abolish the Mississippi Public School System," Garvin Johnston, President of Pearl River Junior College told the first meeting of the Hancock County Teachers Association Monday night at Kiln School.

Johnston gave an interesting review of the history of education in the US and in Mississippi, leading up to the present much debated question of segregation.

He pointed out some of the many problems which must be faced if the Mississippi Public School System is abolished. Transportation, Federal funds, local funds, compulsory school attendance laws, and teacher certification and requirements. He urged that no one vote for abolition until these problems are solved.

L. C. Ladner, president of HTCA advocated the holding of a county fair next year. In the meantime, he suggested holding a fair at Kiln School in which other county schools could participate.

E. E. Breland, Superintendent of Education, announced that the appropriation for the school program had been cut 8 per cent, hence teachers' salaries were proportionately cut. He also announced a very important meeting in his office, Oct. 15, at 10 a.m. for the purpose of explaining the Federal milk program in which all schools, public and private, may participate.

Named president for the coming year was Joe McCulloch, Sellers. Re-elected were vice president Oren Seal, Lakeshore, and Secretary-treasurer, Mrs. G. S. Kennedy Jr., Kiln.

The business meeting was followed by a social hour in the lunch room, where refreshments were served.

Mothers Club To Have Spaghetti Supper Oct. 27

A spaghetti supper will be given by the Mothers Club of SJA October 27 at the Knights of Columbus Hall on Main St.

Tickets for this annual event are on the now and may be obtained from any member of the organization.

Mrs. George Seuzeneau, president, stressed the fact that anyone having tickets and not desiring to eat at the table could bring containers and generous portions would be served to take out.

A meeting was held Tuesday afternoon in the library of the Convent. In the absence of Mother Anna Mary, the opening prayer was given by Sister Raphael.

A letter of resignation from the elected president, Mrs. Ivan Bradford, was read by Mrs. Arthur Chapman, who introduced the new president, Mrs. George Seuzeneau.

Mrs. Seuzeneau introduced the other new officers who will serve during the coming year.

Project undertaken by the organization for the coming year include installation of two drinking fountains in the yard, and contributing physically and financially toward the Centennial of the Order of St. Joseph in this country, which will be celebrated in January.

Sister Raphael led a prayer in observance of United Nations Day. All members of the club who sell five or more tickets for the spaghetti supper will be eligible to compete for a prize that will be awarded.

Membership attendance was won by Sister Maria, teacher of the 1st Grade A class. Entrance prize was won by Mrs. Eric Neacise.

Following the business meeting a social hour was enjoyed, with Mrs. Joseph Blanchard, Mrs. Earl Buckley, Mrs. Charles Gattschalk and Mrs. E. Hansen hostesses.

LEGION HOLDS REGULAR MEETING TUESDAY NITE

Many important committees made favorable reports to the Clement R. Bontemps Post 139 at a meeting held Tuesday night. Among them was a report concerning the forming of a United Nations Committee for Bay St. Louis.

Legion members decided to participate in a Flag Ceremony at the Court House Monday, Oct. 18.

Legionnaires voted to donate \$25.00 to local Bay Scouts for transportation to the Tulane football games.

John D. Rutherford Jr., chairman of the Legion Building Committee, reported that the drive for members was on the floor of the lower deck of the Legion Home in time for the Legion and Auxiliary's Harvest Ball to be held Oct. 23. This move will allow double space for the affair, which has proved to be the group's most successful social event of the year. All funds derived from the ball are used by the Auxiliary to buy Christmas gifts for disabled veterans in hospitals at Gulfport, Biloxi and Jackson.

Several new members were present at the meeting and were introduced. The membership committee reported that the drive for members was hitting its stride and it was hoped that the local Post's quota would be met before the next Legion meeting, according to Tom E. Bressler, chairman.

HOLY NAME SOCIETY TO HAVE BENEFIT

A shrimp boil and benefit will be held by the Holy Name Society of Our Lady of the Gulf Church on Oct. 15 and 16 on the City Hall Grounds.

CENTENNIAL BANQUET

Student Dining Hall, Sunday, Oct. 10 6:15 p.m.

Subdeacon, Rev. Francis Quinn, Pastor St. Marys Church, Jackson
Master of Ceremonies, Rev. Hugh Taylor, OSB, Bay St. Louis, Miss.
Choir, Scholastics from Brothers of Sacred Heart Scholasticate, Mobile.

Fire, Storm, Epidemic All Part of Stanislaus' First One Hundred Years of Teaching, Service

BY E. D. MUND

BISHOP GEROW TO SPEAK AT CENTENNIAL—

The Rev. R. O. Gerow, Bishop of Natchez, will be celebrant of a Pontifical High Mass Sunday during the Saint Stanislaus Centennial. He also will preach the sermon.

Saint Stanislaus among the oldest of Southern prep schools, was founded in 1854 by the Brothers of the Sacred Heart at the earnest solicitation of Reverend Stanislaus Buteux, Pastor of Our Lady of the Gulf Church, Bay St. Louis, Miss.

The Brothers, along with their students and friends, will celebrate the Centennial Sunday, October 10.

Having arrived at the Bay, the Brothers took temporary lodging in the presbytery, and taught classes in the frame building directly behind the church, relieving the Pastor of teaching, since the Christian Brothers had left because of yellow fever in 1853.

The pioneers were Brothers Basile Veneable Joseph Diemer and Leo Maigne. Late in October Brother Athanasius, one of the founders of the Province, was named Director and brought from Mobile Brother Lucius Raymond, a skilled mechanic, to supervise the erection of a new St. Stanislaus.

With a loan of \$2,000 from Father Buteux, the Brothers were able to purchase 108 feet of Gulf-shore property adjoining Booker St. for \$4,000. By 1896, the property line was extended to Union St.

Meanwhile the school had become well known along the Gulf Coast as one stressing character training as well as mental and moral development.

When the Civil War forced the discontinuance of the boarding department, access to Louisiana and New Orleans was made possible through the good offices of the Federal Commandant at Fort Pike, located at the entrance of Lake Ponchartrain.

A trip to New Orleans, always par force by boat, required from two to three days.

In order to maintain the boarding department, Brother Athanasius rented two houses on Toure Street, New Orleans—one to be used as living quarters for the boarding students from the Louisiana plantations, the other for classrooms. These were also for the New Orleans boys who were boarding at the Bay.

Meanwhile, Brother Florimond and three other Brothers maintained a day school at Saint Stanislaus all during the War.

When Peace was proclaimed, the brothers returned to Bay St. Louis, and the following year the school opened with 120 boarders and 75 day students.

The Louisville and Nashville Railroad helped considerably in the transportation problem after 1869, in which year it had completed the line from Mobile to New Orleans.

BOTH BAY ST. LOUIS AND SAINT STANISLAUS have had to contend with obstacles that continually threatened their existence. The worst was the great "yellow fever," which first hit St. Stanislaus in 1867 and revisited the scene in 1870, 1897, and again in 1905, despite the discoveries made by the United States Army medical men in Cuba.

The 1869 visitation took the Director, Brother Odon; that of 1870 took the lives of three Brothers in their early thirties.

As each epidemic necessitated closing the school for several weeks, the brothers had to be sent home by the most expeditious manner. On one occasion, Brother Isidore chartered a train to take the Louisiana boys home via Nashville and Memphis.

Then there is the perennial hurricane threat—the storm that whips the Caribbean into the Gulf, and then makes up its whimsical mind as to where to strike.

These storms hit with devastating force, and winds of gale velocity, up to 120 and 130 miles per hour, are not unusual. Such storms hit the Bay region in 1888, 1893, 1915 and 1947. Various portions of the college usually left with the storm.

Continued on page two

To Have Benefit Oct. 12

Waveland Parent Club will have a benefit at the Waveland School Oct. 12 at 7:30.

School Enrollment Hits Record High

The Bay St. Louis Public Schools school. This is an increase of around 100 students in both Bay High and Valena C. Jones over last year.

Three additional teachers have been hired at the Valena C. Jones school. No addition to the teaching staff has been made at the white public schools.

The enrollment includes 700 in the white school and 300 in the colored.

NEWS FROM BAY HIGH

TIGER TALES

Linda Lee Sherman, a former pupil of one of the Chicago, Ill. schools has enrolled in the third grade this week.

The Bay High Tigers have elected the following officers: President, Guy (President) Jimmy Davis; Vice President, Robert Morel, secretary and treasurer, T. T.

The Bay High Tigers registered their first win last week over the Pass Christian Pirates 27-0. The Tigers lost their first two games, Nicholls 20-7 and Our Lady of Victory 12-8.

The schedule calls for some very tough games ahead. There have been no serious injuries in the team thus far except for Cule, who received a cut mouth which required 19 stitches.

The Bay High Peewees and Juniors

were victorious in their games Saturday with Shidell. The Peewees won by a score of 13-0, pushing over two touchdowns in the closing minutes of the ball game.

The Juniors were victorious by a 34-0 margin, completely outclassing Shidell in every department. Grady Perkins completed five passes in as many tries, two for touchdowns, to pace the Bay offensive. Pat Glover stood out defensively in both games.

Cole Caldwell and both teams were showing considerable improvement and should be in condition for the league championship all the way. The teams are members of the Mississippi and Football Conference. Both teams will journey to Covington Thursday night to play St. Paul.

"What Parents and Teachers Expect of Each Other will be the topic under discussion when the Bay High PTA meets on the evening of October 12. Panel members are to be Mr. Langford, Mrs. Pritchard, Mr. Caldwell and Miss Coyer. Miss Sawyer's second grade class will give the Activity Report.

Following the regularly planned program, refreshments will be served to parents, teachers and guests.

The last issue of *The Student Prints* school newspaper, published this year by the journalism class, will carry the results of a "Beautiful Baby" contest being carried on in the freshmen class. Final decision will be made this week, with the journalism staff acting as judges. Much interest has been stimulated among the freshmen and many baby photographs have been submitted.

Ballots for the election of president and vice-president of the Student Council will be cast Thursday, October 7. Students in each home room will be privileged to cast a vote. Those running for president are Gary Stoufflet, senior; Ruth Bennett, junior; and Cleta Kay Miller, Freshman.

Campaigning for vice-president are Robert Bing and Hilda Russell, Senior, and Nolen Ladner, Junior. Each candidate has a slogan to help his fellow students remember him. Slogans are: Gary Stoufflet—"All the way with Stoufflet"; Ruth Bennett—"Get the truth with Ruth"; Cleta Kay Miller—"Clater with Cleta"; Robert Bing—"Swing with Bing"; Hilda Russell—"Husle with Russell"; Nolen Ladner—"Get on the beam with Nolen."

Every day during the activity period students running for these officer have been allowed to state their platforms and have made campaign speeches to the home room groups.

The Seniors of Bay High School are trying to make some money for their class by selling Xmas Cards, all occasion cards and personal stationery. Please buy your cards and stationery from the Seniors!

STANISLAUS

Continued from page 1

Ordinary express plings were used by all, including the Brothers, as a wood breaker. But in 1915 Brother Isidore refused to replace them, and designed and built a model of his own. Although inadequate according to the engineers, it withstood the baby hurricane of 1924, and survived without damage the bombing raid from the air in 1947.

Meanwhile, the engineers' walls, by crumbling all around.

AN ADMINISTRATOR who left a deep impression on the school was Brother Stanislaus. He served three terms, 1881-1883, 1888-1890, and 1904-1913.

The enrollment was very poor when he first arrived. He used the daily papers to bring the school to the attention of prospective students. He had a booklet printed that described in detail the activities, the curriculum and the disciplinary rules at St. Stanislaus.

During the vacation period, the teachers visited the old and prospective students. They visited from Texas, Florida, and Stanislaus' biggest influence was in the session of 1882-1883.

Up to this time, the athletic program had been conducted on an informal basis, but when the Louisville and Nashville Railroad started scheduling semi-weekly excursions along the Coast, the schools in New Orleans took advantage of the low-cost fare to see up keen interscholastic rivalry with the Coast schools in which Saint Stanislaus took a very active part.

BROTHER ISIDORE, a man of strong character, succeeded Brother Stanislaus in 1898.

Rugged featured, strong minded, and determined, this sturdy man's compact figure evidenced a body capable of enduring every hardship attending man and tool and true it was, he was never happier than when wielding a broom, a hammer or a spade.

In contrast, he was proficient in mathematics; well versed in the classical Greek and Latin masters, and widely read in theological and ascetical works. Anthologies and half-baked words were detected.

His simplicity and poverty left an impress upon all who knew him. His retired life at Metuchen, New Jersey, necessitated by paralysis of the larynx, was the exemplification of every virtue that makes the whole Brother of the Sacred Heart.

He was a severe taskmaster, but his students highly revered and respected him.

THE SCHOOL'S greatest misfortune came during Brother Isidore's administration. All the shore buildings were burned to the ground in June, 1903.

In less than three hours, nothing remained but embers and ashes. A long-smouldering fire, probably set by a carelessly discarded cigarette, was discovered at 9:40 p.m. in the clothes room, where trunks and suitcases had been feverishly packed that evening preparatory to the next morning's departure for summer vacation.

Following the fire, only the kitchen and dining room remained intact. In late August, however, ground was broken for the three buildings that now face the Gulf.

Designed by Dilks and Owen of New Orleans, it was constructed by Charles Sanger, a local contractor. The work of construction cost \$52,000. The

furnishings added another \$25,000.

Meanwhile, sleeping quarters for the students were established in rented cottages, and classes were held in temporary rooms hastily constructed immediately after the fire. The 1903-1904 session opened on time.

THE ERA of intensive athletics began under Brother Berchmans in the 1915-1916 season. Through some New Orleans friends, Brother Berchmans met Father Commeyre and induced him to take over as full-time coach. During the next 10 years, this man was assisted by capable brothers who served as athletic directors and trainers of the smaller boys who eventually became varsity stars.

Commeyre's influence upon the students was very great. His outstanding devotion to duty, his practical Catholicism, and his example as a Christian gentleman inspired all. Many were the boys who, helped over the rugged spots of adolescence.

One of his ablest co-workers was Brother Peter. First assigned here in 1908, he became athletic director in 1912. From that date until he died, his untiring effort left an indelible impression on everyone who knew him.

Promoted to the Presidency of St. Stanislaus in 1926, Brother Peter made the school known nationally through his famous talks on "Biology."

Invitations to speak poured in with unintermittent regularity throughout the remainder of his life.

It took the hurricane of 1947 to take away most of the energy and activity of this untiring spirit. At the end of the 1948 session, he consented to go to Tours, Ind., in New Orleans for a "check-up." But nothing was to be said about his ravages that day, but made on his rugged constitution.

Brother Peter breathed his last on September 2, 1948, and was buried in the college cemetery at Bay St. Louis.

BROTHER ALEXIS was appointed in the summer of 1948 to succeed Brother Peter. He set about at once to complete the plans for the kitchen and dining hall that had been contemplated by Brother Peter.

Ground was broken in October 1948. It was ready for occupancy in June 1949. The building with all its accessories erected and furnished at a cost of \$285,000. All the kitchen equipment is of stainless steel throughout. The student dining hall can accommodate 400, while the faculty section can seat 60.

A guest refectory also is included. The latest improvement came as a recommendation from the Evaluating Committee of the Southern Association of Colleges and Secondary Schools of which Stanislaus has been a member since 1933.

The committee recommended new showers and lavatories which were constructed last summer at a cost of \$60,000.

Expansion of the campus also was recommended and this is presently in progress.

A project that would enhance the facilities of St. Stanislaus is the proposed Centennial Building.

This will house four much needed classrooms and an infirmary in the first floor. The basement will be used as a locker room for the clothes of the boys and a recreational center for the small boys.

The school is "anticipating great things" from Alumni and friends to help solve the problem of erecting the Centennial Building.

VA Orientation and Indocination Course for Hospital Workers Oct. 13

Announcement of the regular semi-annual course for volunteer workers, to be held at the Gulfport VA Hospital Wednesday, Oct. 13 beginning at 1:30 p.m., was received this week by the Hancock County Chapter, American Red Cross, in a letter addressed to all volunteers from Carl Fridlund, Chairman of VA Volunteer Service Committee of the hospital.

The afternoon session will run from 1:30 to 5:15 p.m. and the evening session from 7:30 to 10:00 p.m. During the evening session a VAVS film, "Within the Town," portraying volunteers actually at work, will be shown.

Purpose of the course is to acquaint volunteer workers with the organization and operation of the VA Hospital and the objectives and functions of the various departments, with special emphasis on the role of the volunteer.

Attendance at the course does not carry the obligation of having to work in the hospital afterwards. It is felt, however, that those attending will find it most interesting and informative, and many will want to become active workers.

Text of Mr. Fridlund's letter, addressed to all volunteers, follows:

"I am taking this opportunity of informing you that our next VA Orientation and Indocination Course for prospective volunteers will be presented by the professional staff on Wednesday, Oct. 13, 1954, in the Recreation Annex. The classes will begin at 1:30 p.m.

"2. I do want you to know that the VA Services of this hospital have certainly appreciated the many hours of service you have personally rendered in our care and treatment program.

"Through your participation, you realize that we have an urgent need for additional volunteer workers to help the professional staff in the many programs to aid the patients in their recovery.

"3. It is with this thought that I am writing to you requesting that you bring the message of our needs for additional volunteers to your friends

and neighbors to encourage them to attend the October 13, 1954, Orientation Course so that they, too, may qualify as credited volunteers at our hospital.

"4. If you are rendering service here through the auspices of a member organization of our VAVS Committee, please give the names of prospective volunteers to the certified representatives of that organization. If you are serving as a non-affiliated volunteer, we shall be happy for an opportunity of talking with your friends concerning their acceptance as non-affiliated volunteers.

"If each of our volunteers could bring a prospective volunteer to our next VA orientation course, I am sure that we could have a successful class, thanks to your interest in the hospital and the patients."

Names of prospective volunteers are requested by the Red Cross to be turned in to Miss Alberta Beyer, chairman, Grey Ladies; Mrs. W. L. Argus, chairman Volunteer Service Group; or to Mrs. Elizabeth Weston, executive secretary, Red Cross Office.

Miss Beyer also has announced that a Red Cross certification course for Grey Ladies will be given later this year, to enable volunteers to wear the official Red Cross Grey Lady uniform. Date of this course will be announced later.

Infant Baptized

John Stephen, infant son of Mr. and Mrs. Charles Scianna, was baptised Sunday afternoon at Our Lady of the Gulf Church.

Father Hugh Taylor performed the ceremony. Sponsors were the baby's uncle and aunt, Sgt. A. G. Favre Jr. and Miss Frances Fautetta.

Following the church service a reception for members of the immediate family was held at the home of Mr. and Mrs. Scianna on Felicity St.

Infant Baptized

Joseph Charles, infant son of Mr. and Mrs. Ralph Hille, was baptised Sunday, Sept. 3 at Our Lady of the Gulf Church, with the Rev. John Robinson officiating.

Sponsors were Ben Hille Jr. and Miss Bonnie Rapier.

BETTY JEAN TRAVIRCA, LAVERNE GARCIA ARE MARRIED SUN. AT KILN

A wedding of interest in Bay St. Louis and Kiln was that of Miss Betty Jean Travirca, daughter of Mr. and Mrs. Alvin Travirca of Kiln, to Laverne Garcia, son of Mrs. Ethel Garcia of Bay St. Louis.

The ceremony was performed Sunday afternoon, Oct. 3, at the Church of the Annunciation at Kiln with Father Charles officiating.

The bride was given in marriage at the single ring ceremony by her grandfather, Alec Hart, also of Kiln.

She wore a traveling suit of white with Navy Blue velvet hat and navy accessories and a shoulder corsage of a lavender orchid.

The bride chose as her only attendant her sister, Miss Rita Travirca, who wore a light blue suit with black accessories and a shoulder corsage of pink carnations.

Eric Larsen was best man. The church was artistically decorated with white chrysanthemums and gladioli against a background of palms.

Following the ceremony a reception was held at the home of the bride's grandfather.

Receiving the guests was the bride's mother, who chose for the occasion a black and white fall print and wore a corsage of white carnations. She was assisted in receiving by the mother of the bridegroom, who wore a pink and grey figured fall silk with a shoulder corsage of white carnations and by two aunts of the bride, Misses Lily and Bessie Hart. They wore aqua and brown fall dresses.

The young couple left for a wedding trip by motor to Florida and on their return will be at home on Carroll Ave. in Bay St. Louis.

Forestry Commission To Custom Grow Seedlings

The Mississippi Forestry Commission is now equipped to custom grow tree seedlings for timber growers, State Forester James W. Craig announced today. "This means," Craig said, "that landowners can improve the quality of their timber by selecting seed from the best trees." When these seed are turned over to the state nurseries, the seed will be planted separately and the seedlings returned to the landowner for \$4.00 per thousand. This price is only 50c higher than unselected seedlings.

"This is another step forward in our improvement program," Forester Craig said, and it "offers the state's timber growers a good opportunity to improve their stands. Research has proved that timber stands can be improved at least twenty per cent by planting seed from selected trees."

"Trees have hereditary traits," Craig said. "When we select seed from outstanding trees growing locally, we are sure to get some outstanding offspring. This is the same method that has been used for years in improving our other plants and animals. If we realize

our goal of making every timbered acre produce the maximum in quantity and quality, we must plant seedlings from selected parents."

Forestry Activities Stressed At Mississippi State Fair

Forestry activities will play an important and entertaining part of the 1954 Mississippi State Fair to be held in Jackson October 11-16. In addition to the distinctive exhibit at the Fairgrounds there will be the large Forestry Parade on Friday, Oct. 15, the highlight of which is the crowning of the 1954 Queen of the Forest.

The Forestry Exhibit is to be located in the special 3600 foot tent immediately adjoining the Agricultural Building. Its entrance will be marked with a full color reproduction of the current State Forestry Association billboard which carries the theme "Tree Farming for Profit Pleasure and Prosperity."

Directly inside the tent, as the main attraction, will be the mobile trailer of the Southern Pulpwood Conservation Association, which contains a countryside scene in miniature showing every phase of tree farming and pulpwood utilization. This colorful show is designed to appeal to both youngsters and adults.

Special recognition will be given to three outstanding Mississippi tree farmers at the Forestry Exhibit. A record of their accomplishments is to be displayed along with photographs of their own tree farms, made especially for this show.

Commercial booths will vie for attention of visitors to the Forestry Exhibit as various firms have planned attractive and interesting displays. These companies include Forestry Suppliers, Inc., Crosby Chemicals, Inc., International Paper Co., Sandvick Saw and Tool Company, Mississippi Pine Manufacturing Association and Corinth Machinery Co.

The Forestry Parade, sponsored by the Jackson Junior Chamber of Commerce, is scheduled to start at 10:30 on Friday, October 15. The gala procession will form at the intersection of Mill and Capitol Streets and proceed to the Governor's mansion where the 1954 Queen of the Forest will be crowned by Lt. Gov. Carroll Gartin.

From a special platform there, the new Queen, along with Miss Mary Ann Mobley, the 1953 Forestry Queen and officials, will review the parade. The Mississippi State College Band will head the parade of more than 60 floats and 8 junior college bands are to participate.

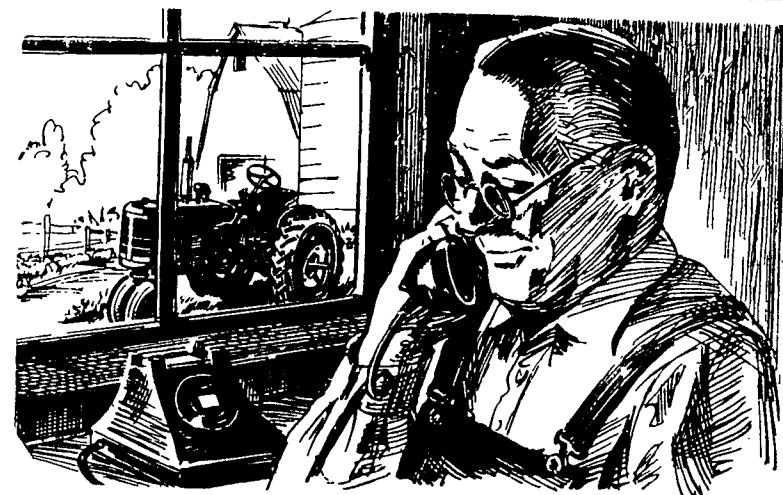

Birdsong Named Officer Of International Police Group

Mississippi Commissioner of Public Safety T. B. Birdsong has been named secretary of the State and Provincial Section of the International Association of Chiefs of Police, it was announced today following the close of the Association's 61st annual conference in New Orleans.

Col Birdsong, a member of the International Traffic Safety Committee and Credentials Committee, had

taken an active part in the four-day program. Also attending the international conference as representatives of the Mississippi Highway Safety Patrol were D. Morgan, Administrative Assistant

Grady Gilmore, Acting Public Relations Officer; A. D. Hopkins, Director of the Patrol's Identification Bureau; Mike Nichols, Director of the Cattle Theft Bureau; and George Hendricks, the Patrol's pilot.

"This is my new hand!"

You may not have thought of your telephone as one of the "hands" on your place... but consider the many errands it does for you daily, and the many emergencies it enables you to lessen or avoid... Doesn't it add up to make your telephone one of the most valuable members of the farm team?

Today more than 45,000 rural telephones are helping to make life on Mississippi farms more interesting and profitable. Most of them are the results of an 8-year expansion program costing more than 16 million dollars.

Providing new rural telephones as fast as Mississippians want them is a big job—made lots bigger by inflated prices on everything we need—but we're going right ahead, increasing the state's rural telephones at the rate of over 5,000 a year!

Money to continue expanding and improving telephone service must be secured from investors. To get them to supply these funds, we must earn a fair profit on money invested in telephone property.

1854—SAINT STANISLAUS—1954

On Sunday, October 10, the Brothers of the Sacred Heart, their students and friends will celebrate the Centennial Anniversary of Saint Stanislaus.

After one hundred years of service to God and man in the field of Religion and Education, Saint Stanislaus stands today as a monument to the faith and forethought of Reverend Stanislaus Buteux, Pastor of Our Lady of the Gulf Church from 1847 to 1859, who at that time saw the need of religious and educational leadership in this community and requested assistance from the Brothers of the Sacred Heart.

From that time to the present day, Saint Stanislaus has weathered many crises. Storms, disease, fire, financial reverses and many and varied adversities have left their mark, but they have served only to flow—never stop—the forward march of Saint Stanislaus in its field of endeavor in the Master's vineyard.

From the first president, Brother Athanasius, named Director of the school in October, 1854, to the very amiable Brother Roland, present leaders of "the School of Character," many capable men and brilliant minds have guided the destiny of Saint Stanislaus. Of these, none was more beloved or did more to inculcate in the minds of thousands, both nationally and internationally, the virtues of his beloved Saint Stanislaus than the late Brother Peter. During his many travels, both far and near, he made the name of Stanislaus a by-word in his everyday life.

From its classrooms, thousands have gone forth into the world to take their places among the leaders in every walk of life—religious, medical, commercial, political, sports—in fact, almost every human endeavor known to mankind has felt the influence of the teachings of Saint Stanislaus in some way or another.

One of our native sons, the late Most Reverend Bishop Leo Fabian Fahey, received his early training in the classrooms of Saint Stanislaus. Many have become priests, physicians and surgeons, lawyers, etc., and many have returned to their Alma Mater to devote their lives in the Brothers of the Sacred Heart to further the teaching of the Christian Doctrine begun here a century ago.

In the field of athletics, many products of Stanislaus have gone forth to become nationally famous. Men like Marchmont Schwartz, Notre Dame great; "Doc" Blanchard, of Army football fame; John "Baby Grand" Scafide, present Mayor of our city; Harry "Wop" Glover of Tulane fame, who played in the Rose Bowl; Henry "Zeke" Bonura, major League baseball great, and others too numerous to mention have added lustre to the already brilliant athletic achievements of Saint Stanislaus.

Saint Stanislaus has meant much to Bay St. Louis and surrounding territory. Its fame is spread far and wide. It is recognized as one of the finest prep schools in the nation, and no doubt will continue to grow and expand in the years to come.

We add to the thousands of others our felicitations and best wishes for continued success in the future.

NOTICE!

To Auto Owners

1955 Mississippi tags will go on sale October 1. All owners are advised to secure their tags as soon as possible in order to avoid last minute rush and congestion.

If you are unable to wait kindly call at the office and secure your applications. Fill them out and return; when the license is ready you will be notified. Owners whose tags have to come from Jackson are urged to make application early.

Kindly supply all personal tax receipt numbers on application if your car is subject to this tax. Senate Bill No. 1537, Regular Legislative Session 1954, provides that all vehicles subject to State and County Ad Valorem Taxes for the preceding fiscal year within this State and who are subject to Municipal Ad Valorem Taxes in the City of Bay St. Louis and the Town of Waveland for the preceding fiscal year and that no license tag shall be issued until the tax is paid.

For the convenience of those owners who live near the Pearl River County Line, they may purchase their tags and pay their personal tax at the City Hall in Picayune, Miss. Mr. Jack Read will take care of this.

FIELDING WRIGHT TO BE GUBERNATORIAL CANDIDATE

JACKSON (Special) In a statement released to the press this week, former Governor Fielding L. Wright announced that he will be a candidate for Governor of Mississippi in the Democratic primaries to be held in August of next year.

Former governor Wright has over 25 years of public service to his credit. He has served as a member and as a speaker of the Mississippi House of Representatives, as Lieutenant Governor and as governor, serving two years after the death of Governor Thomas L. Bailey and being elected for a full four-year term (1948-52) in his own right over four opponents in the last primary.

He has always been an outspoken proponent of State Rights and a leader in the fight in 1948 to elect a Southern States Rights ticket to the State, and as governor, serving two years after the death of Governor Thomas L. Bailey and being elected for a full four-year term (1948-52) in his own right over four opponents in the last primary.

His statement, as released Saturday, follows:

"To the People of Mississippi: Some of my friends have been kind enough to ask me if I intended to be a candidate for Governor of Mississippi in next year's Democratic primary. I am grateful for this interest and kindness and consideration. I have weighed my decision, and I believe I am qualified to stand for a quarter of a century. I expect to stand or fall on this record."

"In so doing, no promises will be made except those I honestly believe can be carried out. My campaign will be based on my record of public service for a quarter of a century. I expect to stand or fall on this record."

"If the people of Mississippi want results rather than promises which may never be fulfilled, then my record is submitted for your serious consideration. This record has been written over the years as a legislator, as presiding officer of the House, as Lt. Governor and as Governor. It is one that cannot be changed. It contains mistakes, but they are honest mistakes. I assure you. No claim is laid to being infallible. My only promise is to do my best and let you be the judge, using as evidence for your decision, in determining my qualifications, the achievements and failures as written in the public records of my service."

"Sincerely,
Fielding L. Wright"

DIDYANO ? ? ? that . . .

BY BOBBIE KATT

Much to our disappointment St Stanislaus lost their first home game but they sure gave Moss Point a hard time.

A car is NOT the proper weapon to use in hunting quail but some adept hunters know that.

A large crowd of Tigers and Tigerettes turned out to see Bay High Tigers defeat Pass High. I think Friday morning there were a lot of house people, huh? Cheerleaders ? ?

The Freshmen of St. Joseph will be initiated in the near future. It ought to be an original theme and a lot of fun for all. Poor Lil Freshies . . .

Why do those two SJA Seniors have that far-away look in their eyes ? ?

Miss Millie Adams visited the Bay this past week end. She is still the same old Millie always laughing and joking.

Why is Tootsie so interested in Spanish and Latin America ? ?

St Stanislaus' first dance was a huge success. Everyone had a lot of fun. Among those who were seen there were Eleanor Krueger, Dave Donahue, Di Blanchard, Jimmy Grace, Helen Genin, Anthony Lofacano, Pat Horlock, Benny Levy, Patsy Farris, Alton Perelli, Janelle Egloff, Douglas Talbot, Jane Favre, Millie Adams, Robert Duke, Janet Genin, Marie Sauer, Juan Ortiz, Jackie Farnet, Patti Olavarietta, Rick Ruppert, Carol Buckley, Chris Bell, Eleanor Bulkin, Barbara Carr, Sheila Heitzmann, Julie Blanchard, Bobby Ladner, Mary Francis Necase, Tina Amandor, Albert Sauer, Millie Logan, Kinta Kergesen, Pam Crasto, Connie Ruppert, Jerry Le Blanc, Manike Ladner and Tommy Hines.

As sunset on a Wednesday afternoon, two young people strolled dreamily along the Legion Pier. . . Ah! To be young and in love!

Where has Chris been spending these afternoon lately ? ? ? Entertaining Brother ? ? ?

St. Joseph has a new member on the staff—Miss Rosenthal. She will act primarily as a Physical Ed Teacher. . .

Lumpkin Optimistic About Tigers' Trip To Engage Perkinson Tomorrow Night

Friday night the Bay High Tigers will journey to Perkinston to meet the Perkinson AHS Bulldogs.

Fresh from a 24-7 triumph over the Pass Christian Pirates, the Tigers will enter the contest with confidence.

Perkinson, who defeated the Tigers 20-19 last week, is expected to be a tough opponent.

Lumpkin, who coached the Tigers, is optimistic about the team's chances.

The game will be played at Perkinston, Mississippi, at 7:30 p.m.

SPORTS VIEWS and REVIEWS

BY CHRISTOPHER BELL

When we noticed that last week's game that Bay High, fullback Hag, Favre had averaged 8.4 yards per carry, it brought to mind that that average is the lifetime average for the great Red Grange. In Grange's 18 years of high school, college and professional football, he averaged 8.4 yards per carry. He also averaged better than 10 points per game.

The Bay High Tigers, who met another conference squad in their 1934 season, found that they soon will meet four in a row.

October 23 they meet Poplarville and on succeeding weeks they meet Petal, Purvis and Lucedale. Brookly, Leakeville and Lumberton are the other teams in the league.

Currently, Poplarville leads the group with a 3-0 record. They have won two other games. Last week they were scored on for the first time by the weak Purvis eleven.

We have only four of their game scores: 32-0 over Sumall, 18-0 over Ocean Springs, 20-0 over Petal and 21-7 against Purvis.

Louisiana has only three unbeaten teams left in their triple-A ranks: Baton Rouge, Bastrop and Nicholls. Bay High lost to Nicholls in their first game this season 20-7. The New Orleans Rebels, who won only one game last year, are favored to defeat McDonough this week.

A football game is never over until that final whistle blows. That was proven well when in 1933 Minnesota scored three touchdowns in the final two minutes of play in a game against Iowa.

With their 24-6 win over Lumberton Tuesday night Kilm seems on the way to a new era in their season this year.

The victory might have come as a surprise to many, but to the Kilm coach, L. C. Ladner, and the Wildcat players, it was a hard-fought win, and no upset. The Kilm team went to Lumberton with victory in their minds and hearts.

It is a sure bet that Lumberton won't be the only team the Wildcats will win over before the year is out.

The Kilm squad couldn't have selected a harder schedule for their first year of football. They still have games with Poplarville, Petal, D'Iberville and Vancleave.

Friday night an extra point had proved the margin in the Stanislaus-Moss Point tilt.

Moss Point was rated as a high favorite before the game. The 20-man associated Press sportswriters poll picked the Big 8 team 19-1 over the Rockchaws.

But the Bay St. Louis eleven couldn't get their offensive drives started and after a second period score they couldn't click. Their air attack was down very low. The only completed pass was the 11-yard toss quarterback Fakier threw to end Schneaxder which gave St. Stanislaus their touchdown.

Moss Point brought a powerful team here last Friday night, but the Rockchaws should have gone farther than they did.

The night before, the Bay High Tigers finally chalked up a victory when they scored in each quarter to defeat Pass Christian 27-0.

Hug, Favre, the "Go Go" kid, led the Tigers' attack by scoring in each of the last three quarters and gaining 135 yards. He averaged 8.4 yards per carry. Favre is a junior and still has another year to play at Bay High.

On the Pass Christian side, Jerry Palmisano was not to be left unnoticed. He entered the game with a bad left leg, which was injured in the Kilm game the week before. He was the Pirates' only hope for victory, as their ground attack is very weak. Palmisano completed 6 of 8 passes for 68 yards, and the two which were incomplete were the fault of the receivers.

Palmisano was forced to leave the game in the second half, which left the Pass with a weak defense and hardly any offense at all.

Coach Lumpkin was able to get a look at a few green kids that were brought up from the junior team earlier in the week. In the fading minutes of play he sent in Tommy Hill, Ty Robin and Grady Perkins. Perkins handled off to Robin and Hill who on their only two plays gained around 14 yards.

These kids are new to varsity football but should prove a great asset to the Tigers from here on out.

Saturday afternoon at St. Stanislaus Stadium the Junior Rocks will host McGill of Mobile.

Last week the Junior Rocks lost to Picayune's second string varsity 21-0 and had earlier been defeated by McGill 7-0. Brother Hubert is the coach for the Junior eleven.

Pass Christian celebrates their homecoming when they host McLain tomorrow night at the Pass Christian Football Field.

PICKS OF THE WEEK — BAY HIGH over PERKINSTON STANISLAUS over PICAYUNE PASS HIGH over McLAIN

PICAYUNE TIDE SWAMPS NOTRE DAME OF BILOXI 33-6 LAST FRIDAY NIGHT

The Picayune Maroon Tide went wild in the second half to rack up a 33-6 win over Notre Dame of Biloxi Friday night at Picayune.

Glenn Watts' touchdown in the opening quarter was the Tide's only tally in the first half.

From that moment until late in the third period the two teams fought on almost even terms. Late in the third quarter Glenn Dossett went over for a score with Arnold Spence adding the extra point.

Watts again scored in the final stanza when he took a Notre Dame punt and raced 74 yards.

The Biloxi Rebels began their only scoring drive and completed it with R. Y. Edmonson scoring.

Picayune took the kickoff and marched the length of the field in 12 plays with Dossett again scoring. Still later Picayune scored again with Luther Beech tallying. Ward kicked his second extra point.

The game was spotted with close to 10 passes, only 15 being completed.

Tigers Rip Pirates 27-0; Rocks Edged 6-7 By Moss Point

Tigers Rack First Win of Season By Scoring Each Quarter

The Bay High Tigers defeated the Perkinson Pirates 27-0 Thursday night in a closely fought St. Stanislaus contest by scoring in each quarter.

Hug, Favre, the "Go Go" kid, led the victory by scoring in each of the last three quarters and gaining 135 yards.

On the Pass Christian side, Jerry Palmisano was not to be left unnoticed. He entered the game with a bad left leg, which was injured in the Kilm game the week before.

Palmisano was forced to leave the game in the second half, which left the Pass with a weak defense and hardly any offense at all.

Coach Lumpkin was able to get a look at a few green kids that were brought up from the junior team earlier in the week.

In the fading minutes of play he sent in Tommy Hill, Ty Robin and Grady Perkins. Perkins handled off to Robin and Hill who on their only two plays gained around 14 yards.

These kids are new to varsity football but should prove a great asset to the Tigers from here on out.

Saturday afternoon at St. Stanislaus Stadium the Junior Rocks will host McGill of Mobile.

Last week the Junior Rocks lost to Picayune's second string varsity 21-0 and had earlier been defeated by McGill 7-0.

Brother Hubert is the coach for the Junior eleven.

Pass Christian celebrates their homecoming when they host McLain tomorrow night at the Pass Christian Football Field.

PICKS OF THE WEEK — BAY HIGH over PERKINSTON STANISLAUS over PICAYUNE PASS HIGH over McLAIN

PICAYUNE TIDE SWAMPS NOTRE DAME OF BILOXI 33-6 LAST FRIDAY NIGHT

The Picayune Maroon Tide went wild in the second half to rack up a 33-6 win over Notre Dame of Biloxi Friday night at Picayune.

Glenn Watts' touchdown in the opening quarter was the Tide's only tally in the first half.

From that moment until late in the third period the two teams fought on almost even terms.

Late in the third quarter Glenn Dossett went over for a score with Arnold Spence adding the extra point.

Watts again scored in the final stanza when he took a Notre Dame punt and raced 74 yards.

The Biloxi Rebels began their only scoring drive and completed it with R. Y. Edmonson scoring.

Picayune took the kickoff and marched the length of the field in 12 plays with Dossett again scoring. Still later Picayune scored again with Luther Beech tallying.

Ward kicked his second extra point.

The game was spotted with close to 10 passes, only 15 being completed.

Probable Stanislaus starting lineup: Dickie Fakier QB, Billy Rhodes RB, Ed Hargrove LHB, Woody Santa Cruz FB, Jim Schneaxder LB, Douglas Talbot LB, Frank Hille LG, Maurice Artigues C, Leon Fazio RT, Alvin Scalfidi RG, Louis Ladner RE.

Kilm Schedule Changed

Coach L. C. Ladner of the Kilm Wildcats has announced a change in schedule for his football squad.

Their game scheduled for Oct. 8 with Rocky Hill was cancelled, and Vancleave and Poplarville have been added to the list.

Kilm will have their homecoming Oct. 16 at St. Stanislaus Stadium in Bay St. Louis.

za when he took a Notre Dame punt and raced 74 yards.

The Biloxi Rebels began their only scoring drive and completed it with R. Y. Edmonson scoring.

ROCKS TO HOST MAROON TIDE FRIDAY NITE

Picayune to Match Undeclared Record Against SSC's 1-1

Tomorrow night at St. Stanislaus Stadium the Rockchaws of St. Stanislaus will host the Maroon Tide from Picayune.

Picayune is undefeated in three starts this year. They tied 13-13 with Frankton, La., topped Biloxi 8-6, and last week mauled Notre Dame 33-6.

Stanislaus has a victory, a tie and a defeat in their three gridiron contests. They defeated Foley 12-9, tied Vigor 6-6 and last week lost a hard-fought tilt 7-6 to Moss Point.

Coach Farley Day has assured his team they will have to play their best game of the year against the Maroon Tide. Picayune always seems to play their best game when they are on the road.

Although St. Stanislaus was playing one of the highest rated teams in Mississippi last week they lost by only one point. Coach Farley Day thought if the backfield had been a little quicker they might have turned the game into a victory for the Rocks.

The past week the Rocks have been through signal drills and have been trying to perfect the one-two passing attack punch. The defense of the squad has been holding up fairly well, but the Rockchaw coach said they'll need more than six points to win.

The starting lineup might undergo last-minute changes. Alfonso Aldope has been playing good ball which might gain him entry into the backfield.

In the Moss Point game he proved himself capable of a lead position. Pat Mooney is fighting hard to get back into the starting lineup at the guard position while Robert Duke might spell Talbot at one of the tackle slots.

Probable Stanislaus starting lineup: Dickie Fakier QB, Billy Rhodes RB, Ed Hargrove LHB, Woody Santa Cruz FB, Jim Schneaxder LB, Douglas Talbot LB, Frank Hille LG, Maurice Artigues C, Leon Fazio RT, Alvin Scalfidi RG, Louis Ladner RE.

za when he took a Notre Dame punt and raced 74 yards.

The Biloxi Rebels began their only scoring drive and completed it with R. Y. Edmonson scoring.

Kilm Schedule Changed

Coach L. C. Ladner of the Kilm Wildcats has announced a change in schedule for his football squad.

Moss Point One Of Highest Rated Squads In Southern Mississippi

The St. Stanislaus Rockchaws came within a point of upsetting one of Mississippi's highest rated teams when they lost to Moss Point 7-6 Friday night at St. Stanislaus Stadium.

Both teams scored their touchdowns in the second quarter.

The Tigers from Moss Point scored first when they recovered a fumble around the 15 yard line just after they had punted from the 45. The Rockchaw line pushed them back to the 21 and held them for another play. The following play quarterback Larry Wood at halfback Bert Lynn in the end zone for the score. Wood then kicked the extra point which later proved to be the deciding factor of the game.

Later in the same stanza St. Stanislaus began their 80 yard drive toward the Tiger goal. The margin was completed when quarterback Dickie Fakier hit end Jim Schneaxder for a TD pass from the 11. The drive was greatly aided by the alertness of end Louis Ladner who grabbed a pass from Fakier that had bounced out of the hands of Kenny Artigues. The play gained 30 yards.

Stanislaus has a victory, a tie and a defeat in their three gridiron contests. They defeated Foley 12-9, tied Vigor 6-6 and last week lost a hard-fought tilt 7-6 to Moss Point.

Coach Farley Day has assured his team they will have to play their best game of the year against the Maroon Tide. Picayune always seems to play their best game when they are on the road.

yards and brought the ball down to the Tiger's 15 yard line.

In the first period fans thought they were going to see something seldom seen in high school football along the Coast. Moss Point was about 25 yards from the goal line and set up a fake field goal formation. The play failed when the long pass into the end zone was knocked down by the Rock's defensive backs.

The second half of the game was played mostly on even terms with neither team making a serious threat to score.

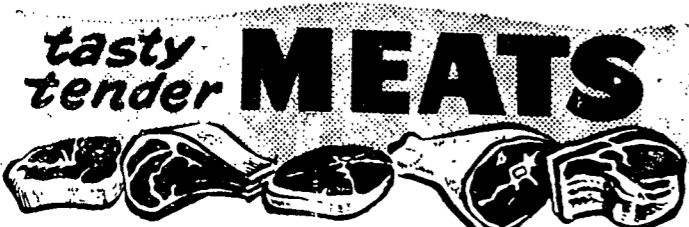

Moss Point has a 3-0 record now, while the Rockchaws have a 1-1-1 average. Moss Point still remains one of four unbeaten teams of the Big 8 in Mississippi. They are tied for second place in games won in the 18

Mrs. Walter Bentz is spending the month of October at her summer residence on Julia St.

Prof. Wm. E. Brode and Carl Tabbeaux motored to Hattiesburg last week end where they visited Mrs. Brode and the infant son of the Brodes.

Mrs. Alden Mauffray is visiting in Montgomery, Ala. this week.

Mr. and Mrs. Herbert Ratenberg will leave the latter part of the week for Montgomery where they will visit their children.

Mrs. Ethel Cox is spending her vacation in Houston, Texas.

Mr. and Mrs. Bernard Farrelly are enjoying a vacation trip this week. Mr. Farrelly is manager of the Bay Westland Yacht Club.

Mrs. F. J. Tassour and her little granddaughter, Allison Holmes, spent last week end with her mother, Mrs. S. M. Mayer at her home on St. Charles St.

Mr. and Mrs. Andrew Bacon, who have a summer home at Waveland, have returned this month to their home in New Orleans and will only be over for a week this time.

Mr. and Mrs. George Anderson and Florida are in town visiting Mrs. Anderson's mother, Mrs. H. A. Telhard, to Pensacola, Fla. last weekend. Mrs. Telhard will remain for several weeks visiting with her son, David B. Telhard, and his family.

Mrs. A. G. Dresler of New Orleans, children of Pascagoula were week end guests of Mr. and Mrs. D. M. McCallish.

Mrs. Helen Means of New Orleans will arrive Friday to spend the week end with her father, Erle Kirkpatrick, and Mrs. Kirkpatrick.

Mrs. John del Carmen and daughter Anna Luce, have gone to Guatemala where they will join Mr. del Carmen. They will be absent from Bay St. Louis for a month or so.

Mrs. Joseph Kern attended a meeting of the Mississippi Economic Board last week in Hattiesburg. Chief subject of discussion was 10th Section Lands of Mississippi and a partial delving into the subject of segregation in this state.

Mr. and Mrs. P. Schuppe of New Orleans are spending the month of October in Bay St. Louis where they are occupying the Seal cottage on Carroll Ave. Mrs. Schuppe is a sister of Mrs. Leo Seal and Mrs. John H. Weston.

Sgt. and Mrs. A. G. Favre and children of Jackson, Miss., spent the week end with Sgt. Favre's mother.

Jeffrey Favre, son of Mrs. A. G. Favre Sr., returned to Bay St. Louis after a tour of duty in Germany with the US Army.

Mr. and Mrs. A. E. Cox are in town on a business trip.

Mrs. Rosa Segerson and Mrs. Margaret Kern spent several days last week in Hattiesburg where they visited friends.

Mr. and Mrs. James K. Morlan and children of Pascagoula were week end guests of Mrs. Morlan's sister, Miss Clara Kergusien.

A-3c Chas. Tartavouille, son of Mr. and Mrs. Carl Tartavouille, is stationed at Chanute AFB, Illinois. He entered service June 7.

He was a graduate of St. H. School Class of 1954. He received his basic training at Lackland AFB.

AROUND THE CAMPUS AT ST. STANISLAUS

On Friday, all day exposition of the Blessed Sacrament was held in the Stanislaus chapel, the various classes each taking half-hour sessions. At the closing exercise, Father J. Robinson officiated at the ceremony of Consecration of the Student Body to the Sacred Host.

Through the kindness of the State Health Department, all students of the high school classes were x-rayed by Mr. and Mrs. Jones of the Health Department of Mississippi.

On Friday at 2 p.m. the entire student body held a pep meeting on the campus under the direction of Brother Philip, A.D.C., Director, in preparation for the game with Moss Point.

At 3:15 a pep parade, led by the Stanislaus band, and with decorated cars and bikes, was made in the bus section of Bay St. Louis.

Brother Leonard, who formerly taught at St. Stanislaus, will fly down from Brooklyn, New York to attend the centennial celebration of the college.

Brother Leonard is now vice president of St. Rose of Lima School in Brooklyn, N. Y.

In connection with National Fire Prevention Week the Fourth and Fifth Grades at the request of the National Fire Prevention Association, have co-operated in the elimination of fire hazards at their home.

The Fourth Grade brought in the "home fire reports" 100 per cent on the first day, thus all qualifying for
